Dear Friends of WAG

News time again....

Newsletter 2

We are thrilled with our new kennels. Graham Mellor was so touched by the story of Bobby, one of our favourite dogs in Esizameleni, that he generously paid for the erection of kennels. Bronwen and Keith funded the fencing and other finishing that was required, and the kennels were erected on the bottom portion of Janet's stand at 83 Church Street. Keith has put in hours of work to attend to all the final details. Our very sincere thanks to all!

The kennels will be used to house dogs that are sick or recuperating, dogs that need to be re homed, as well as pups looking for homes. We DO NOT want the kennels to become a "dumping ground" for unwanted dogs. In such cases, where owners simply no longer want their dogs, we will refer them to the Newcastle SPCA.

Caring for the dogs in the kennels is shared between Bronwyn, Janet and Bongani. The dogs do however get very bored, and love some company and a walk. If you feel you might like to pop in for a visit, or take one of the resident dogs for a walk, please contact Bronwen or

Janet and we will gladly organise this.

Again we would like to thank you all SO much for the generous donations which we have received. It is just so humbling that each time our funds dry up, and we are wondering "what now?", another generous donation arrives enabling us to carry on again. It is so very much appreciated. Thank you.
